Dear Mr. Klatka,

The Workshop on the implementation of Regulation 1370/2007 on Public Passenger Transport Services by Rail and by Road held in Brussels on 14 November 2011 has been a great success. As we were very pleased with the contributions of the panellists and other speakers, we would like to publish the slides of your presentation on the Commission website in order to make them available to all participants of the Conference and to further interested parties.
